Hiring Manager
TELUS Digital
[Company's Address]
[City, State, Zip]

Dear Hiring Manager,

I am excited to apply for the freelance Internet Ads Assessor position at TELUS Digital, as advertised. With a strong passion for technology and an eagerness to contribute to the enhancement of online advertising, I believe my skills and experiences align seamlessly with your team's mission of making internet search more relevant for

millions of users.

Throughout my training experiences at Fortum Oy and DNA, I have cultivated a strong foundation in communication, market analysis, and brand development. My role in corporate branding involved not only understanding consumer behavior but also actively providing feedback that helped improve campaign strategies. I am confident that my ability to assess content and offer constructive criticism will be an asset to your team, particularly in ensuring that advertisements are relevant and culturally appropriate.

As a national champion in streetdance, I have honed my ability to work collaboratively and creatively, skills that I believe will translate well into the dynamic and supportive environment that TELUS Digital promotes. I thrive in settings that encourage feedback and collaboration, and I am eager to bring that spirit to your community of over a million contributors.

Moreover, my full professional proficiency in both English and Finnish, along with my familiarity with social media and web navigation, equips me to effectively review and assess online advertisements catering to diverse audiences. I am particularly drawn to TELUS Digital's commitment to mental health support and well-being education, as I value a workplace that prioritizes its employees' overall health and development.

I look forward to the opportunity to contribute to TELUS Digital's mission and to be part of a community that is dedicated to enhancing the online experience for users. Thank you for considering my application. I am excited about the possibility of discussing how my background, skills, and enthusiasm can contribute to your team.

Warm regards,
